M.M.

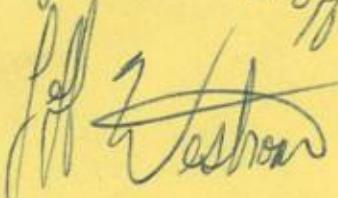

Mike,
I hope I don't
have any more
changes with you
next year because
you probably go
crazy with all the
fun money on my
face. If you ever
do what again,
will I dont know
what I do!

Well I think I
should do something
next year
in the middle
of summer.

Your
friend,

Well, it's really been fun
having you in Spain. I really
think you was pretty cool especially
as we sat next to each other and I was
in the middle of you & Rick's paper fight!
Well, hope to see ya next year!
Have a cool summer!

~~Awesome!~~

Mike,
It's been fun in 4th pd
I'm glad I had two classes
with you. We will most
likely end up having a
pass or two together next
year too. Have you enjoyed
my company in English? Of
course you did! I hope you
have a good time riding

A very good friend of mine, Mr. J. H. S. Smith, has written me a few lines concerning his son, John, who is now in the service of the Royal Canadian Mounted Police at Galt, Ontario. He is a good boy and I am sure he will do well. He is the son of Mr. and Mrs. J. H. S. Smith, 115 Queen Street, Galt, Ontario.

A real cool guy I got
to meet this year. It has
been fun and nice having
you Spanish. Perhaps next
year we can have at
least one class together.

“Sometimes When We Touch”

The 1984 Girls' League Court: Princess Stacey Hampton, Queen Lisa Ochoa, Princesses Corine Rameriz, and Christi Wallace.

The 1984 Girls' League Dance was held at the University of California, Riverside Campus on February 4, 1984. The Theme of the annual dance was "Sometimes When We Touch." The band was 2002. Stanford Photography was the professional photographer. The dance was from 8:00 p.m. to 12:00 p.m. The Queen and her court were announced at 10:00 p.m. Girls' League has a tradition that the last slow dance of the evening is the garter dance. The song played for that dance was "Only The Lonely" by The Motels. The following girls from these clubs were nominated for the 1984 Girls' League Court. They are: Christie Wallace, Band; Theresa Thompson, Badminton; Janene Davis, Yearbook; Melanie Cook, Girls' League; Shawn Fleming, Pepperbough; Corine Rameriz, Art Club; Rachel Williams, Trouper's Club; Leslie Evans, Boys' Forum; Lisa Ochoa, Field Hockey; Vickie Casillas, Boys' Varsity Basketball; Stacey Hampton, Girls' Varsity Basketball; Toki Hughes, Chamber Singers; Heather Assenburg, A.S.B.; Cecilia Munoz, Key Club; Liz Bustamante, Wrestling; Nori Sogomonian, C.S.F.; Janell Ashley, Cheerleading; and Karen Stanley, Senior Class.

Key Club, an international service organization sponsored by the Colton Kiwanas, has been very active this year. Among the many projects these people sponsor, the animal blood drives are the most important. The blood drives, however, are not the only humanitarian gesture sponsored by the Key Club, for they also sponsor a CPR program with the Colton Fire Department and a canned food drive for the needy. Led by Mr. Pure, these people participate in a never ending campaign to help people.

Honors Choral, look at those Happy faces

Honors Choral, under the direction of Rick Salano rehearse constantly year round. To prepare themselves to perform for different organizations throughout the city. Instructor Rick Salano teaches his students different musical techniques. The students learn a lot about music and the appreciation of it. Watching these talented students perform shows the endless hours that go into every performances. Concentration precision and time are the main ingredients to the making of a successful group. The Honors Choral displayed these elements in various production throughout the year.

Craftsmen At Work

Where else on campus can you hear the driving of nails, the screeching of skill saws and the smell of wet paint? But of course the stagecraft classes. Much time and effort goes into designing sets and backgrounds for the plays and musicals. Stagecraft does an excellent job in building the appropriate setting and finding the exact lighting for any play. For without stagecraft the show would not go on.

Troupers Display Talents

This years troupers club put in a lot of time and effort preparing for another outstanding musical, they presented, "Smell of the crowd the roar of the grease paint". This years students attended plays and drama workshops, which in turn helped them with their drama skills.

Under first years advisor Mr. Propster, the members were able to display their hard learned talents and present us with a fine musical.

It is a privilege to become a member of CSF. To become a member of California Scholarship Federation, the student must fill out an application, they must also have a grade point average of 3.5. If the members remain in the club for four semesters or more, the student will then become a life member. After becoming a life member the student is rewarded with a pin, and a certificate for their achievement. The active seniors in this club will receive a gold emblem on their diploma and a special recognition at graduation.

AFS or American Field Service is a group of interested students working together to learn about other states and countries around the world. Throughout the world each AFS club may vary in goals, but not in function. The main function that all members must fulfill is to assist exchange students.

Although there are many barriers to overcome, like a new language and new customs, AFS students find it very rewarding helping the exchange students. This years exchange students are Samarn Trongwaranon from Thailand and Magnus Hynnelius from Sweden.

ASB Makes Changes That Lead To Tradition

Through the year of ASB, our main goal was to make the necessary changes to make the traditions in our school even better and more exciting. As we all know times change and so must tradition. Our biggest achievement was the successful can food drive, which collected over 3,000 cans of various foods. The food was given to the needy family at Christmastime through churches throughout the community. Other two changes were the homecoming and pep assemblies. Homecoming was very successful this year with the help of ICC president Lisa Ochoa. Pep assemblies were changed greatly with Gina and Lenore Perez in charge to help make them more spirited, and to have more student involvement.

ASB, headed by President Ed Buenrostro and served by Secretary Diane Molina and Vice President Sandy Torres worked hard to make this year a success.

Yearbook Staff

This years yearbook staff learned one main objective which they followed as an outline throughout this 1983-84 school year, it was, "Meet those deadlines". Under the supervision of Advisor Nan Graham, the members learned to pool resources and work together as a productive staff. Spending Saturday afternoons working was not uncommon for the staff, designing, layouts, writing copy and assigning photo assignments took a great deal of time, but the students always managed to do a fine job.

The Year In Sports

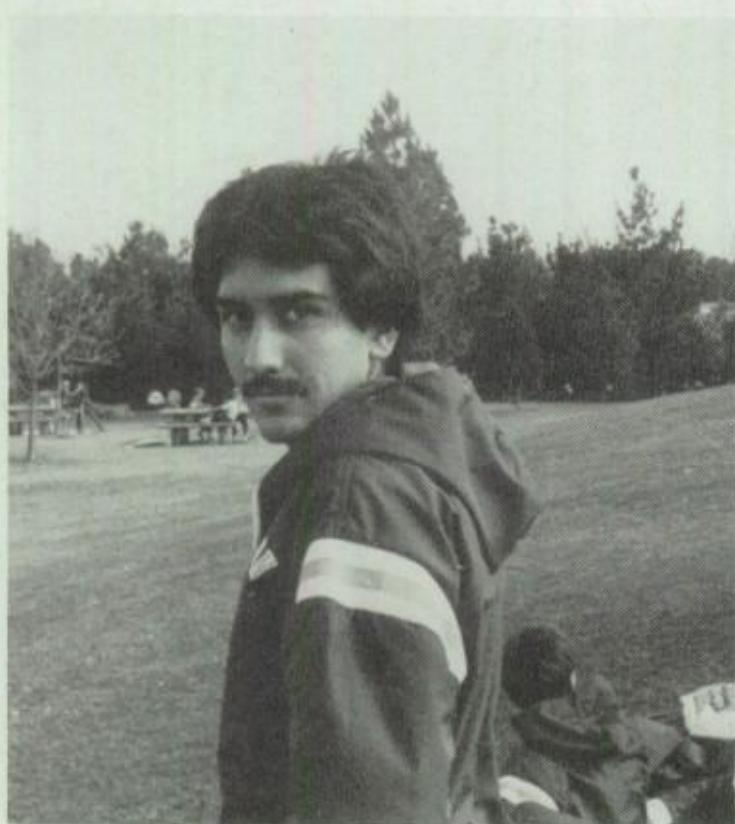

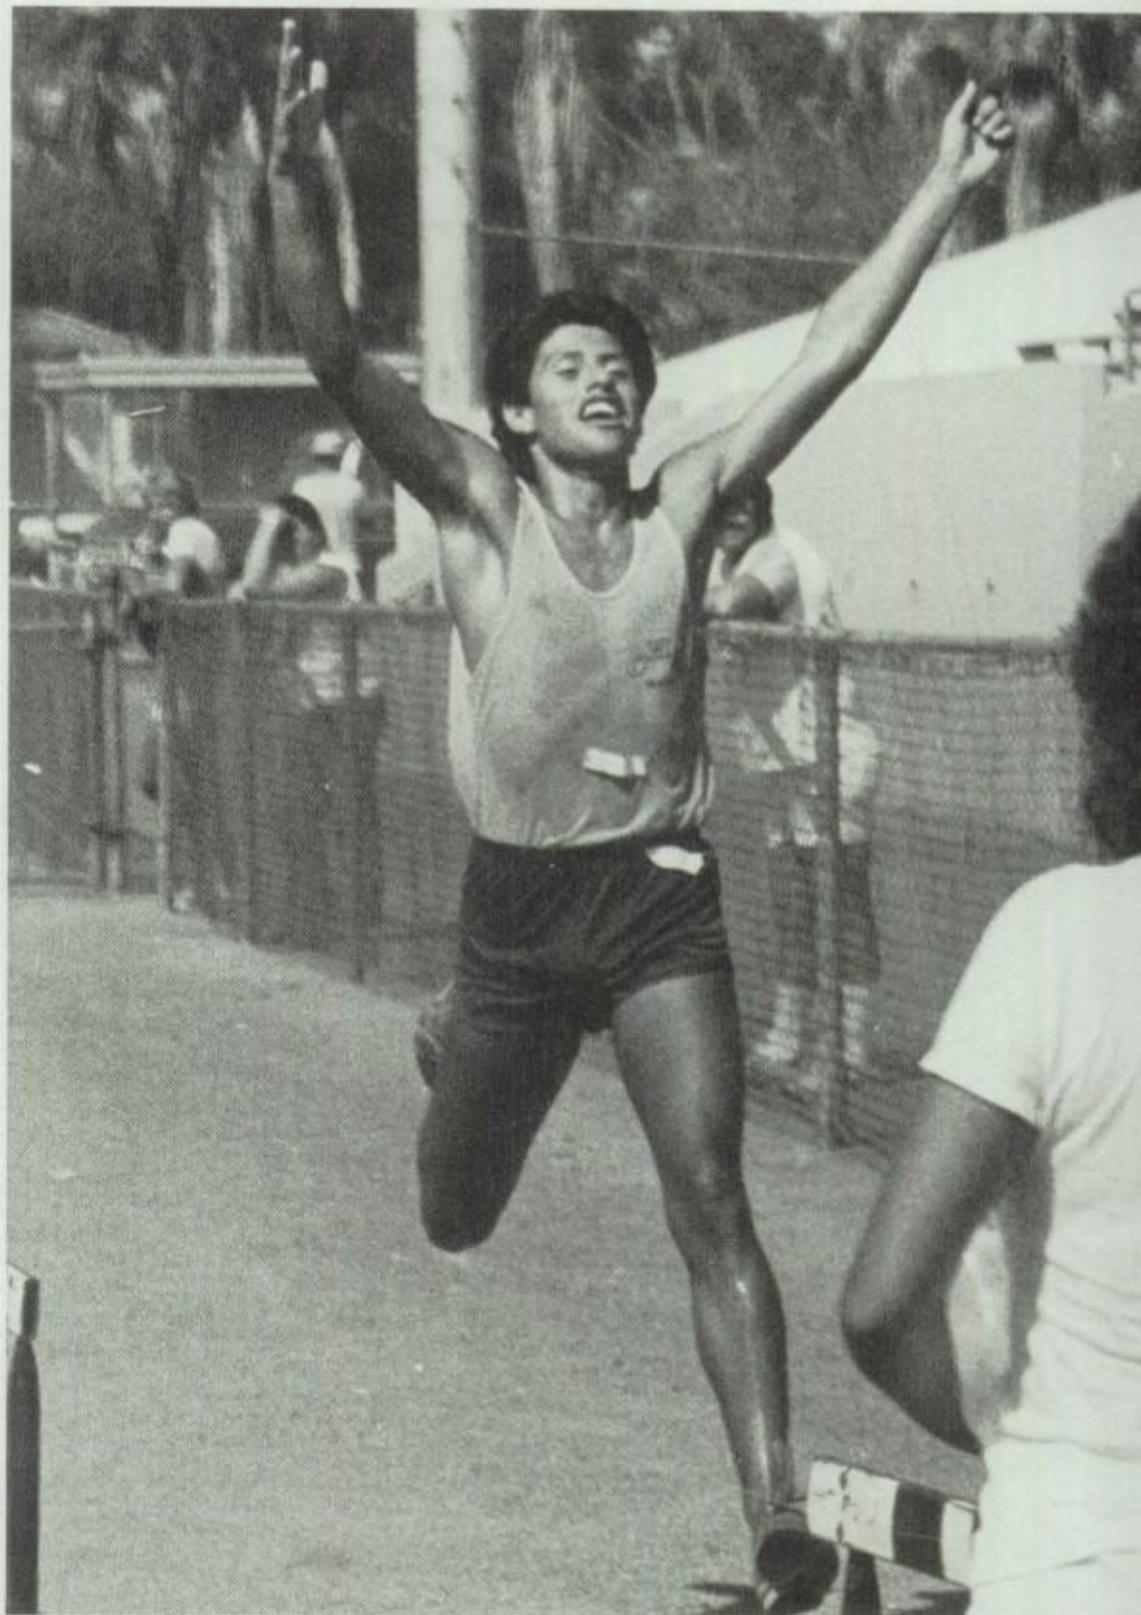

Cross Country Leads The Pack

A day at the C.I.F. cross-country championships.

Under second year Coach Fred Campa, the Colton High Cross Country Teams soared into the C.B.L. standings once again. The boys team, led by a group of strong Juniors and Seniors, ran away with the C.B.L. title for the second year. Strong performances by the Varsity Seven enabled them to upset the division 3A champs Barstow and the Orange County power team, Mission Viejo. After seeding second in CIF preliminaries, the team took their undefeated record of 10-0 into the finals. There they finished as one of the top ten schools in division 4A big schools. Making all league were Ron Perez, Hew Smith, Ed Buerostro and Ernie Cisneros. The girls' team, led by a strong squad of Sophomores and Freshmen placed third in league standings with a record of 5-3. Making this one of the team's best seasons and forecasting that this is a team to be contended with in the future.

Hard work and dedication is what goes into being a wrestler. Colton has many dedicated wrestlers. This season, Colton had a young team, with few returning juniors. Under head coach Wayne Weeks, and assistants Joe Trevino and Bill Webb, Colton was able to build a strong team and boost confidence, during their tough season. Due to lack of experience Colton placed third in CBL, but next year they plan to have a strong season, with many young wrestlers returning.

Tracksters Show Winning Form

Inspired by high goals set early in the season, this years 1983-84 track teams showed that they are contenders in the Citrus Belt League. Under the coaching of Mr. Robin Luken, Mr. Fred Campa and Mr. Dave Salas the members learned to concentrate more on working together as a team. Strong individual performances raised the enthusiasm and spirit of the team throughout the entire season. The members worked long hours after school polishing their skills and striving to become better athletes. The key to success is hard work and a lot of self discipline.

Winning Motocross Team

Top left to right: Medardo Diaz, Don Litterol, Colton High, Fred Heacock, and Kevin Montgomery. Bottom: Robert Cadwell.

After not having a motocross team for several years, Colton High has proved it can hold its own in high school motocross. The team of six highly dedicated guys had an exceptional year! This season the team competed against other local high schools on Friday nights at Corona Raceway. Many of the team members also had individual competitions on Saturdays and Sundays. All and all, this added up to very busy weekends for these guys. The sport of motocross is an expensive, dedicating, time consuming hobby. Colton High's team members have shown the necessary qualities needed for the sport. With these qualities and their aspirations, they will go far. They have surely proved themselves this season.

Flying through the air is Don Litterol.

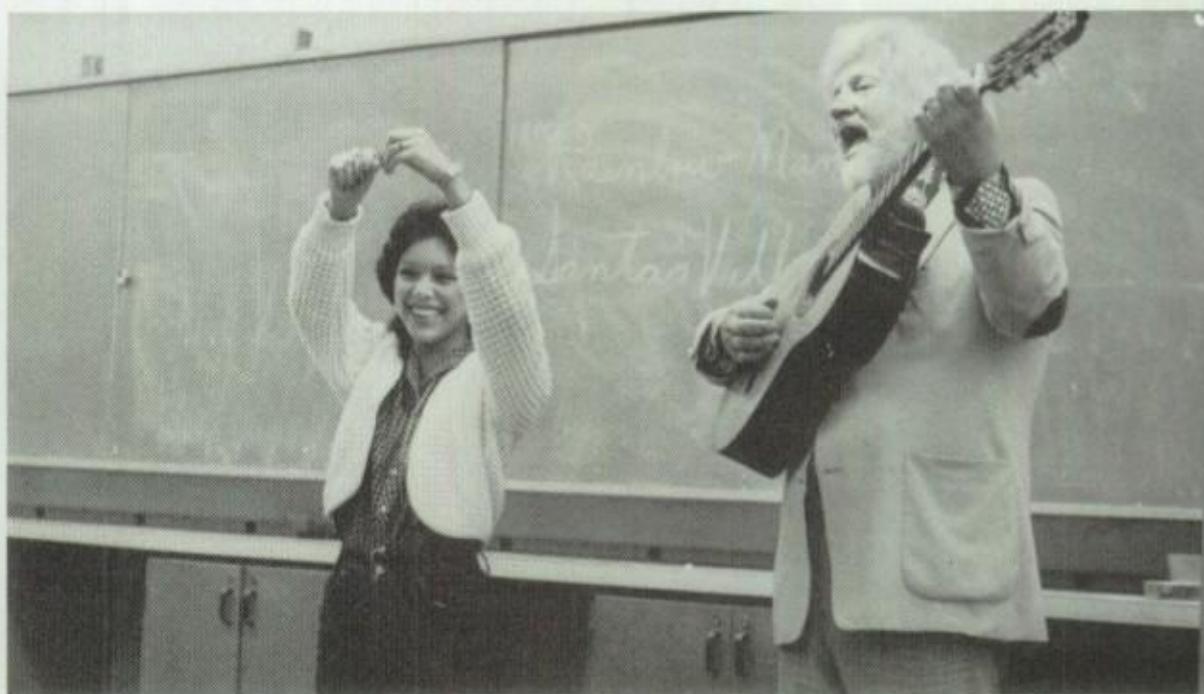

Showing his abilities in riding is Kevin Montgomery.

Speech

Michelle Burnett, Frances Mendoza, Tina Gull

I BELIEVE IN THE FUTURE OF FARMING, with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I BELIEVE THAT TO LIVE AND WORK on a good farm or to be engaged in other agricultural pursuit, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I can not deny.

I BELIEVE IN LEADERSHIP FROM OURSELVES and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I BELIEVE IN LESS DEPENDENCE on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so — for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I BELIEVE THAT RURAL AMERICA CAN AND WILL hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

In Memory

Eisenhower High School teacher, the late Willard Roth, husband of Pat Roth (secretary at Colton High), no longer stands at the head of his class teaching his students the art of ceramics. Nevertheless, his memory and the attributes he relayed in his teaching skills are alive and well in the hearts and minds of two of his former students, Crystal and Rose Ornelas lifetime residents of Rialto.

Rose, a 1979 Eisenhower graduate, and Crystal, a 1982 graduate, both in Roth's class for three years, were so sadden by his death. "We had a lot in common with him," Rose said. I think we are speaking for a lot of people. He was a special, unique person and very talented. He could do circles around ceramics, and was there when we needed him". "There was no such thing as you can't in his class Rose said.

The sisters, both students at San Bernardino Valley College, said the impact of his teachings is still with them, effecting them not only artistically but personally and encouraging them to forever move upward and onward in their lives.

In memory in Diane Webb, a letter written by her 9 year old daughter Jennifer Webb.

Mommy,

I love you very much, but now you are in heaven. You will be in my heart and in daddy's heart too and in everybody's heart. You know the Valentine's Dance, well I had a good time and I hope you can watch Dad, Jan and me. I know you will be on cloud 9 because you have been so nice to us all. Daddy said you put up a fight for your life and if you had any say in it you would have lived and stayed with us and lived with us.

Love,

Daddy,

Jenny and

Jan

We were all saddened by the death of Mrs. Amelia Torres, perhaps her loss is best described by her daughter, in a goodbye letter she wrote her:

Dear Mom,

You know its hard to accept that we are gathered here today with relatives and friends to say good-bye. This wasn't suppose to happen. Not to our mom. You have always been there for us giving love and support and most of all believing in us. Every sorrow or joy we had was your sorrow, your joy. Every pain, every triumph-your love was always there.

To think back on what we had together as a family, no one could ask for better. Dad says that God brought you two together and created something very special. You made him a very happy man.

Though your tastes were simple, you were a queen to us. God blessed us with the best. And what we have achieved and who we have become is a lasting tribute to you and dad.

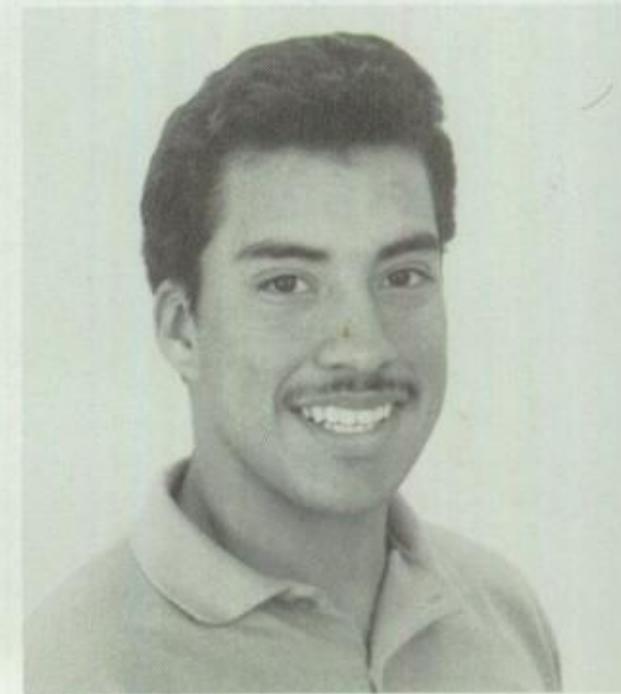

Though our pain in letting you go runs deep we are thankful that God let you remain with us as long as he did. And that when your time came to go he did not let you suffer.

Just know mom, we love you so much it hurts. And no family could be prouder having a wife and mother like you.

We will make it through this painful time because we have each other and we are bound together by the love you have kindled over the last 35 years.

We pray that you are at peace and that Julie is close by. Thanks again Mom for everything. And all us kids will try to do the one thing you asked of us. Bye for now. Your loving family

P.S. God, please take extra care of our mom. She deserves the best.

Students Of The Month

Karen Stanley - June

Ed Buenrostro - Sep.

Michael Sogomonian - Oct.

Melanie Cook - May

A Student of the Month is a special person. Nominated by faculty or student body member, he or she must show concern for the growth of the school through involvement in activities and maintain consistent effort in academics and citizenship. Initiative and taking responsibility are high on the list of things which earn them the respect of the students and faculty members who elect them to this honor. Special people who are singled out by the respect of the people around them: the Students of the Month.

Vicky Bustamante - Nov.

Dannis Fair - Apr.

Joanna Hodges - Dec.

Lisa Ochoa - Mar.

Janene Davis - Feb.

Rachel Williams - Jan.

Top Students

Sandy Torres

Vicky Bustamante

John White

This year's honor students were very difficult to select because there were so many good students to evaluate, said Ms. Neafsey, Senior Counselor.

The students selected for honor represent about 3.5 percent of the class, a class whose overall scholarship has definitely improved over previous years' standings academically.

These are the Class of '84 Honor Students:

Norma Williams

Dennis Fair

Rachel Williams

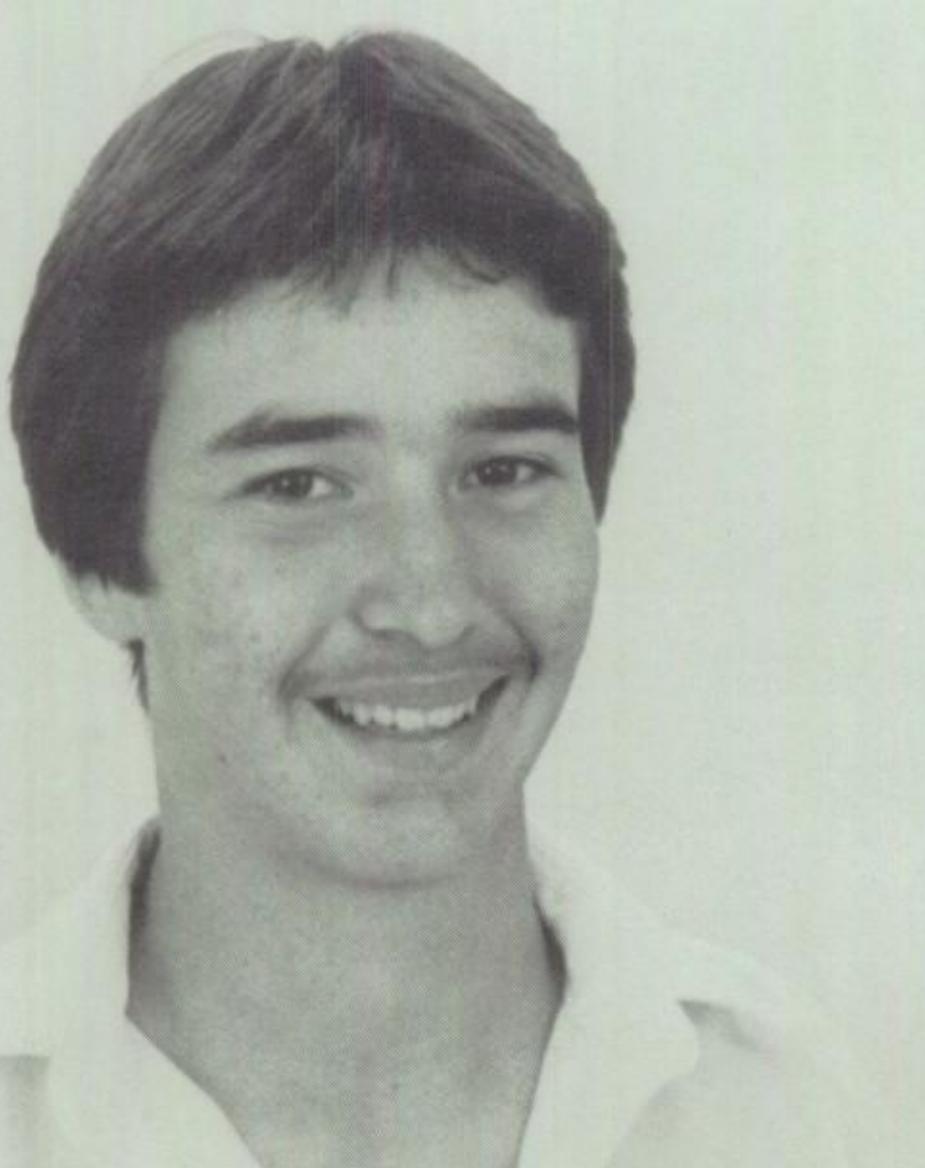

1984 Co-Valedictorians

Co-Valedictorian, Liz Bustamante, graduating with a 4.0 G.P.A. has been very active in student government, varsity volleyball, varsity baseball, pep club, art club, key club, wrestlerettes, and CSF. Liz has also received many honors and awards such as, principals honor roll, junior honor guard, who's who among american high school students, society of distinguished students, all league volleyball, most defensive player in softball, basketball homecoming princess, and the girls' state delegate. Liz plans to attend the California State College San Bernardino and major in business administration.

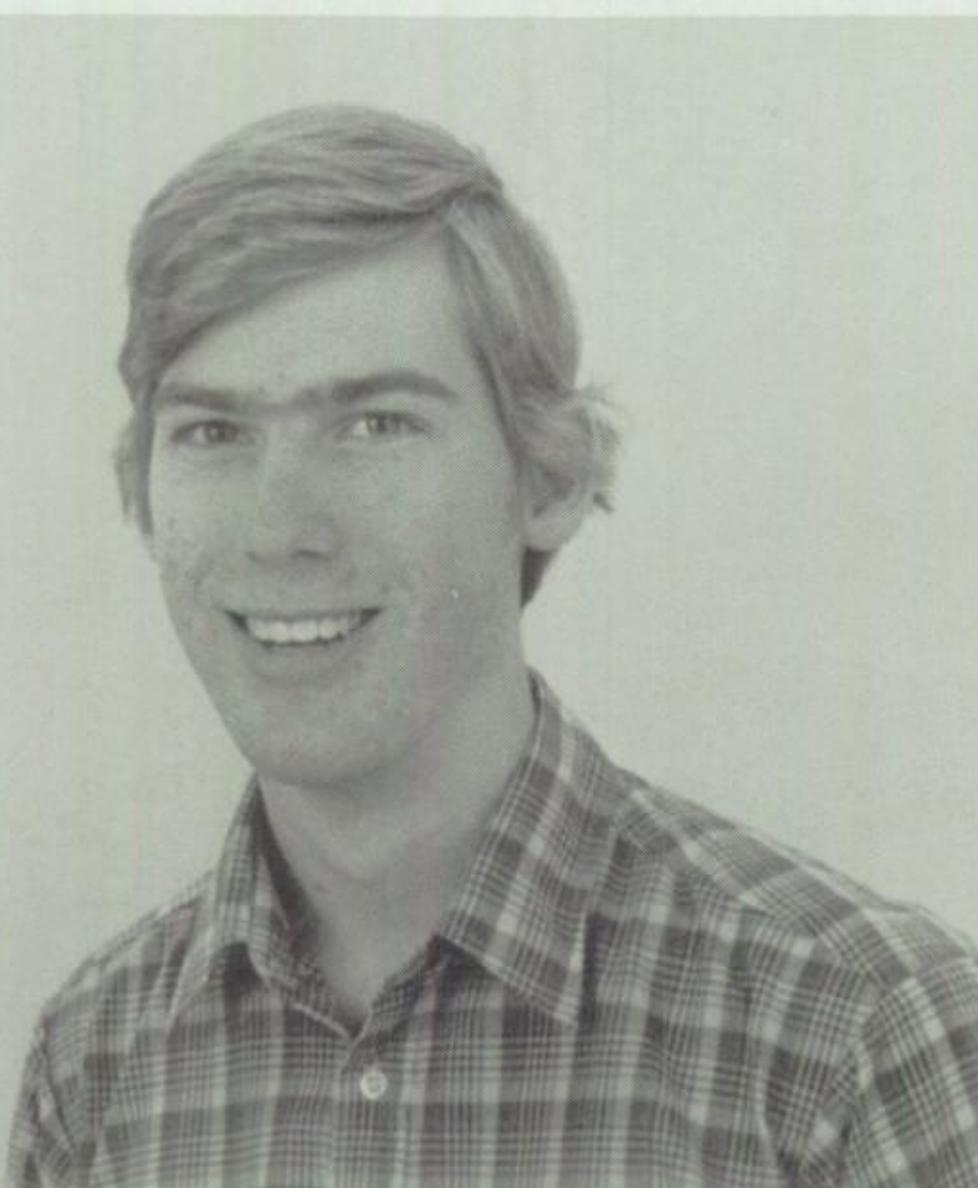

The other co-valedictorian is Mike Sogomonian. Also graduating with a 4.0 G.P.A. and a long list of activities he has participated in. Mike has been on varsity basketball, a member of the varsity club, key club, boys forum, and is co-founder of the computer club. Mike has won such awards and honors as national honor society, junior honor guard, principals honor roll, Bank of America scholarship, Gemco scholarship, student of the month, and was the boys' state delegate. The co-valedictorian plans to attend the University of California at Berkely. His planned major is engineering. Mike stated that his motivation to do well in school has come from his family.

And Co-Salutatorians

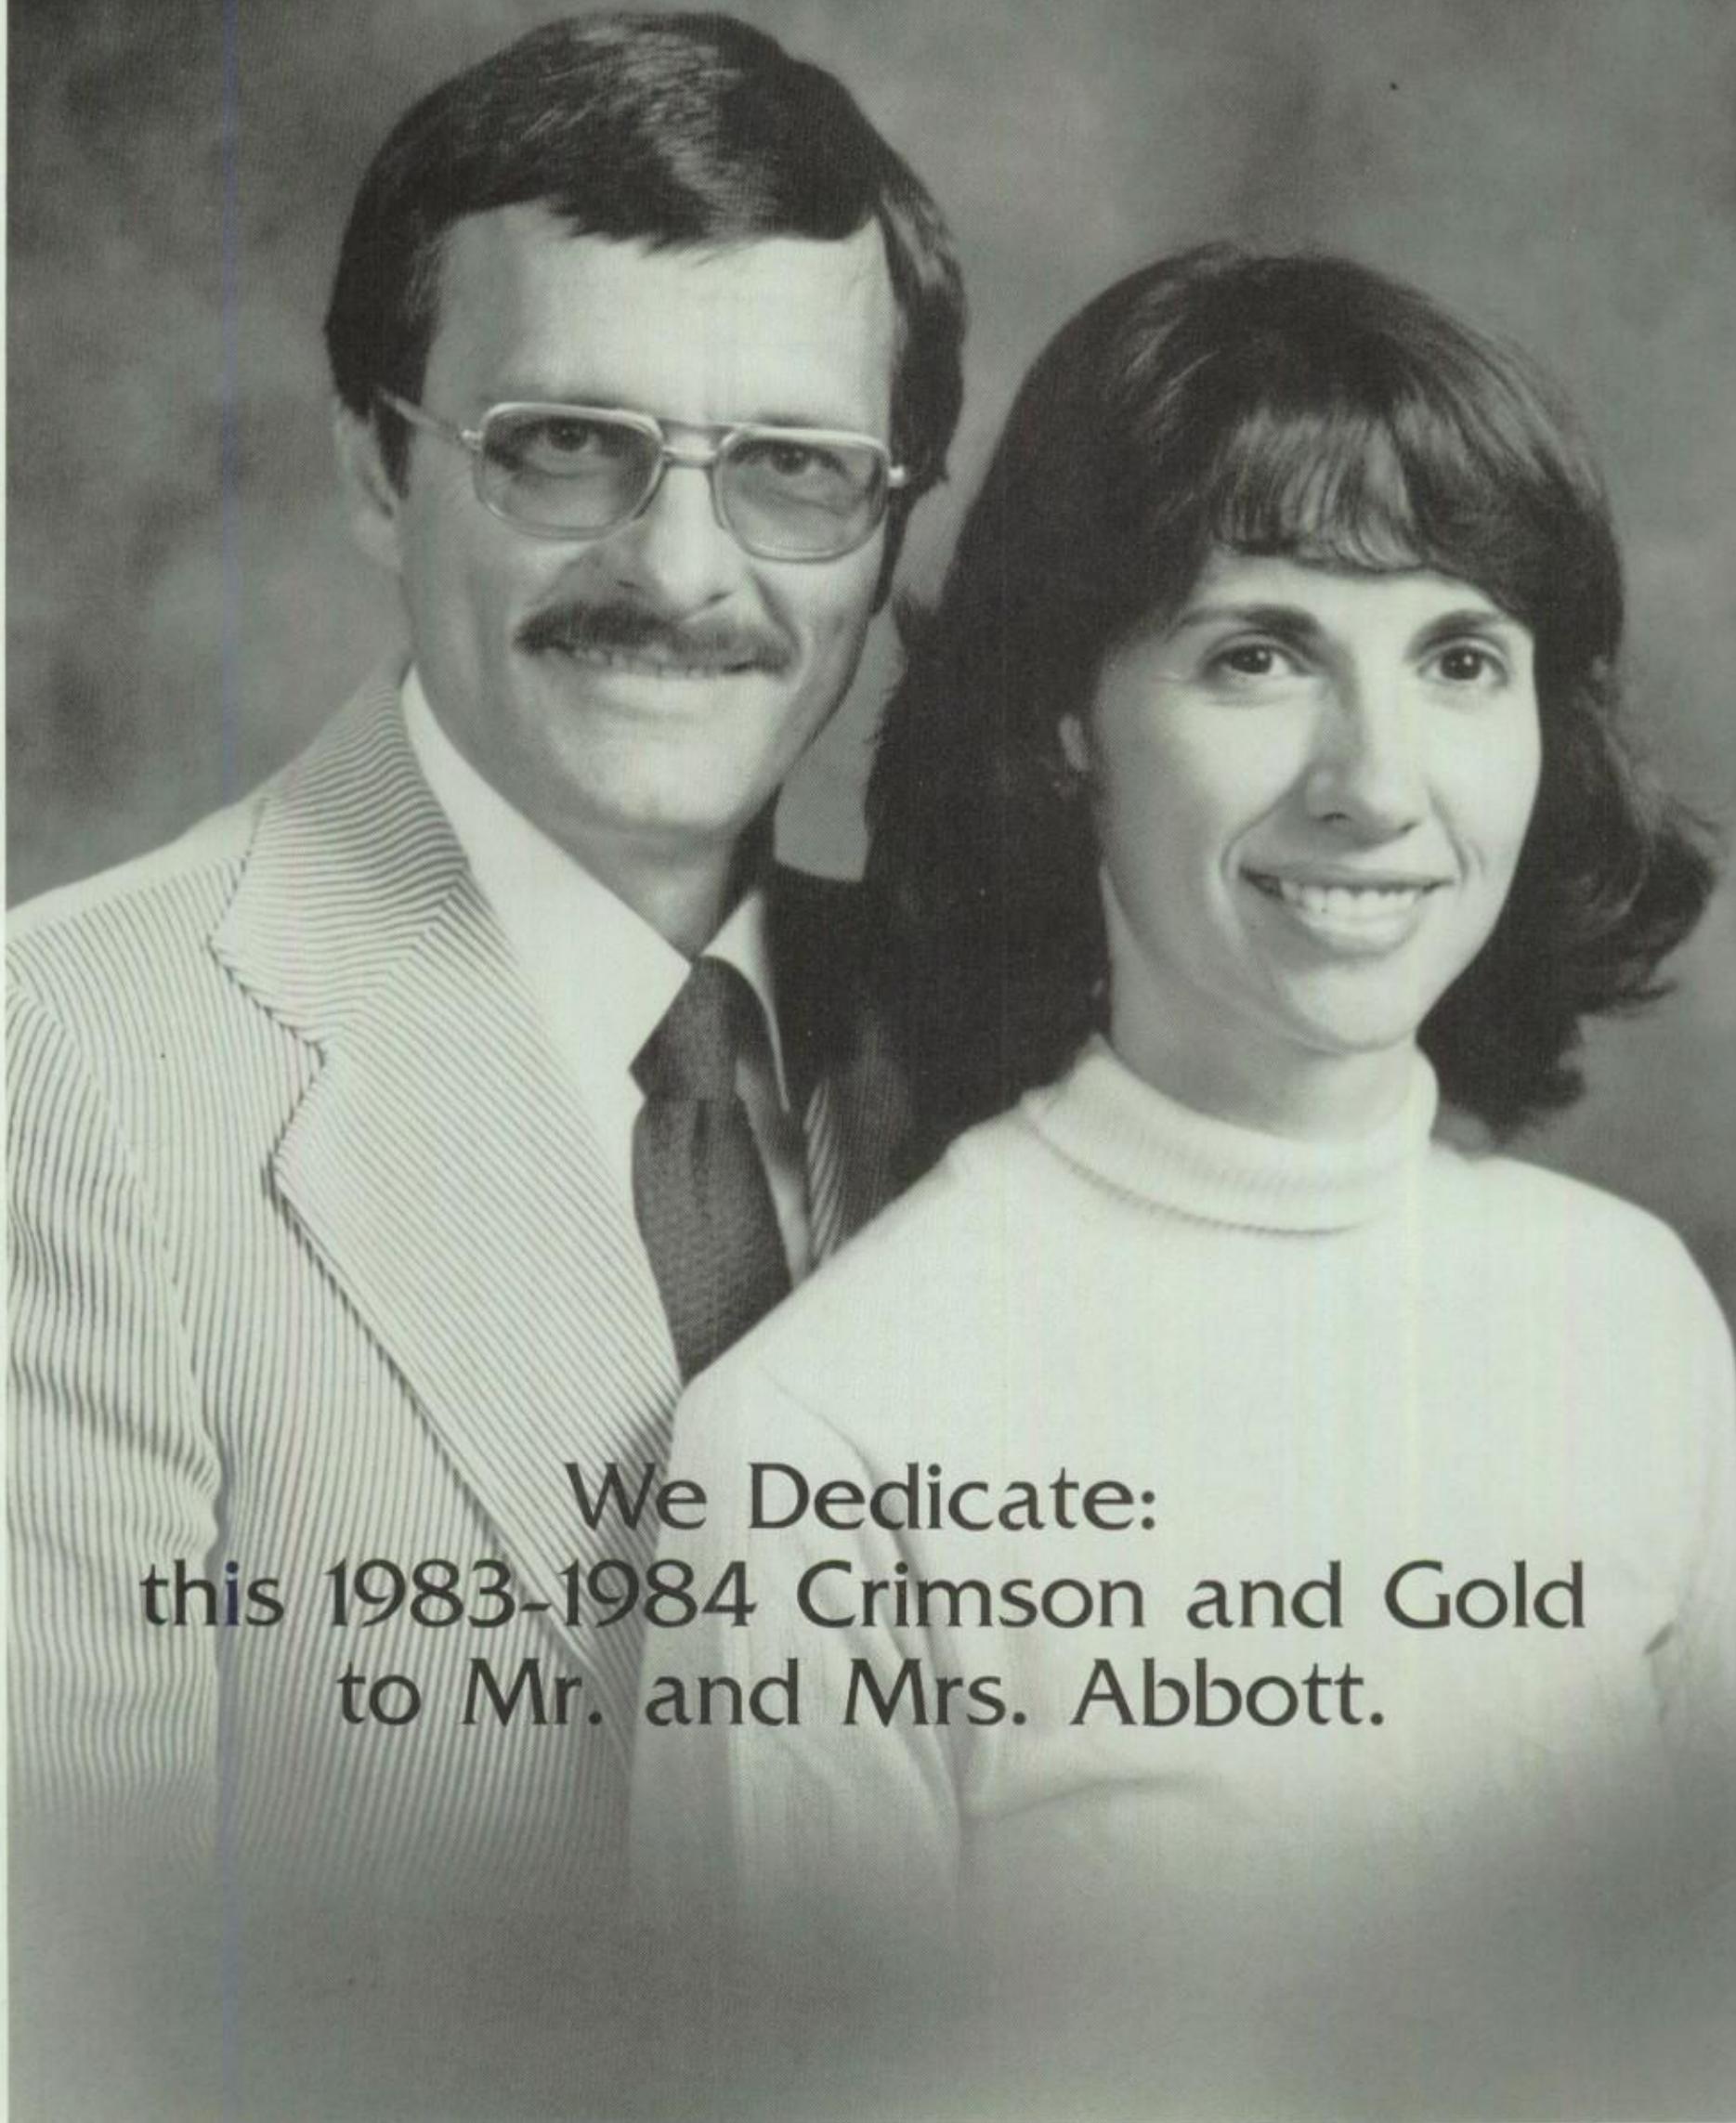

Dana DeAntonio, co-salutatorian, is graduating with a 3.97 G.P.A. The co-salutatorian hasn't participated in any outside activities, which explains why he has been on the principals honor roll all four years and maintained such an outstanding G.P.A. Dana plans to attend the University of California at Riverside and major in engineering. When asked if his grades come easy to him, Dana commented, "Yes, if I have homework, or if I have to study for a test that is the first thing I do when I get home." Dana said his motivation to do well in school is, "so I can make life better for myself and my family by getting a good education."

Kurt Knerr, co-salutatorian, also graduating with a 3.97 G.P.A. has actively participated in band, and is in national honor society. Kurt has received such honors and awards as principals honor roll, who's who among american high school students, junior honor guard, and the society of distinguished american high school students. The co-salutatorian plans to attend the University of California at San Diego, and plans to major in physics. When asked if grades came easy, Kurt replied, "I had to work and study allot to get the grade." Kurt also stated that his motivation to do well in school was self achievement and recognition.

CHANGES (con't.)

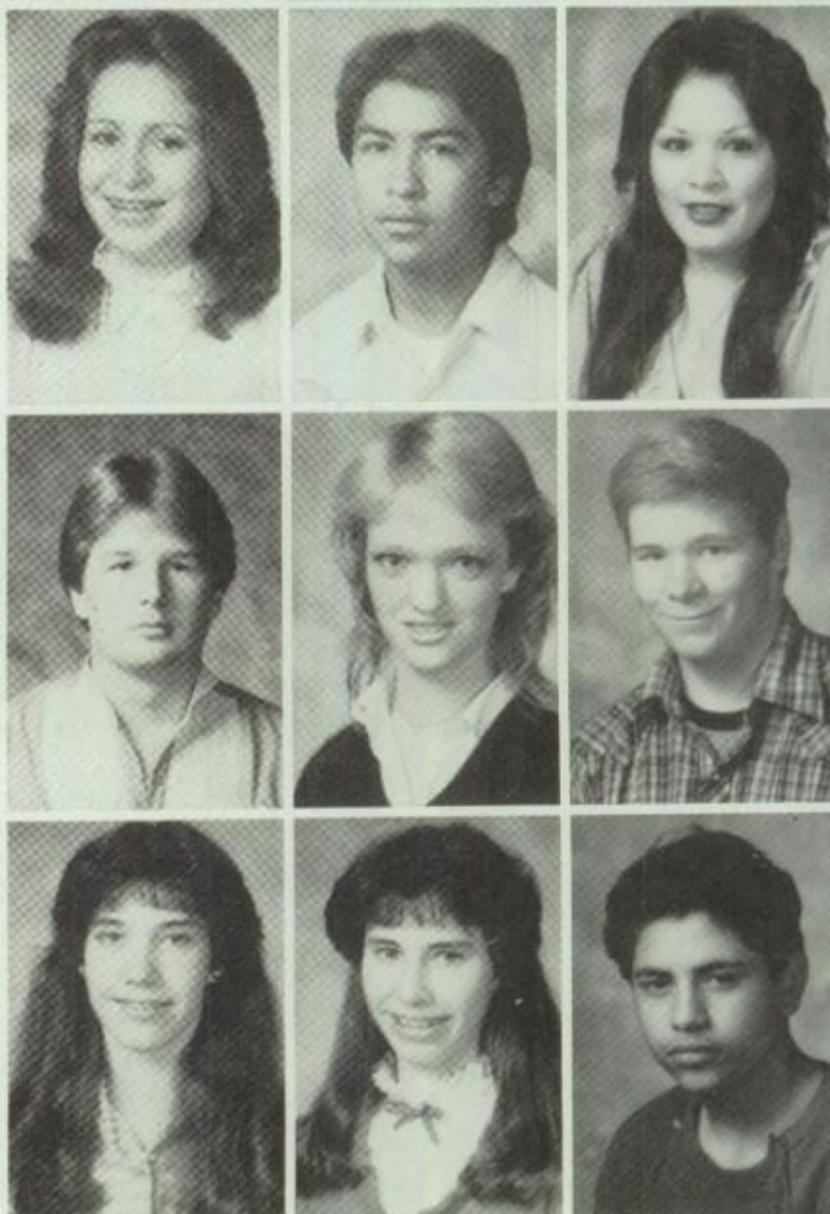

I became less scared of the school and the students. I am more responsible and independent. I hope to go to a theatrical university after graduation.

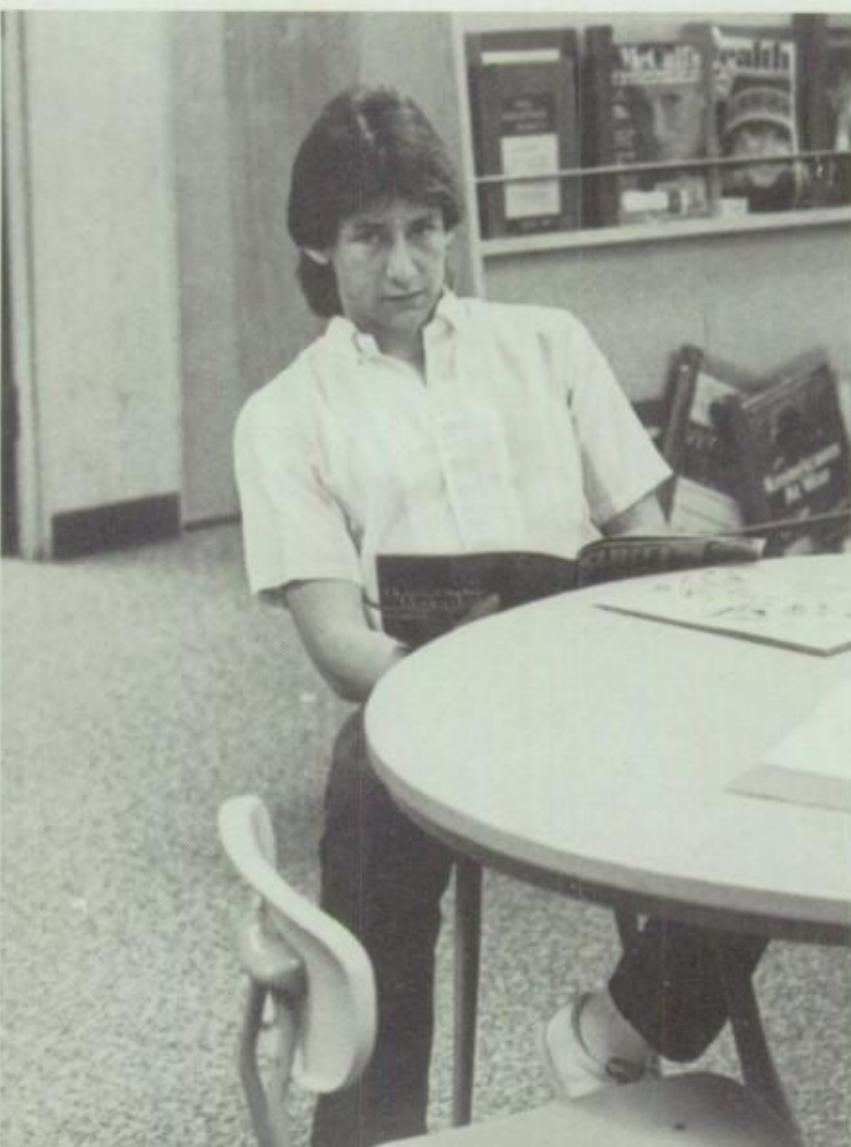

-Francina Grant

I have learned how to handle problems better and how to get along with a lot of people. When I was a freshman I didn't have many friends. So in my sophomore year I decided to make friends and get crazy. After I leave high school I want to go to college and become a psychologist for the disabled. The most memorable moment I had was watching the 1982 Pie Eating Contest.

I changed my outlook on education. I'm more independent and more self-confident. I made Varsity Volleyball the first time I tried out when I thought I was going to get cut. I want to go to college and major in Computer Science. Also, I would like to continue in volleyball, if circumstances permit.

CHANGES (con't.)

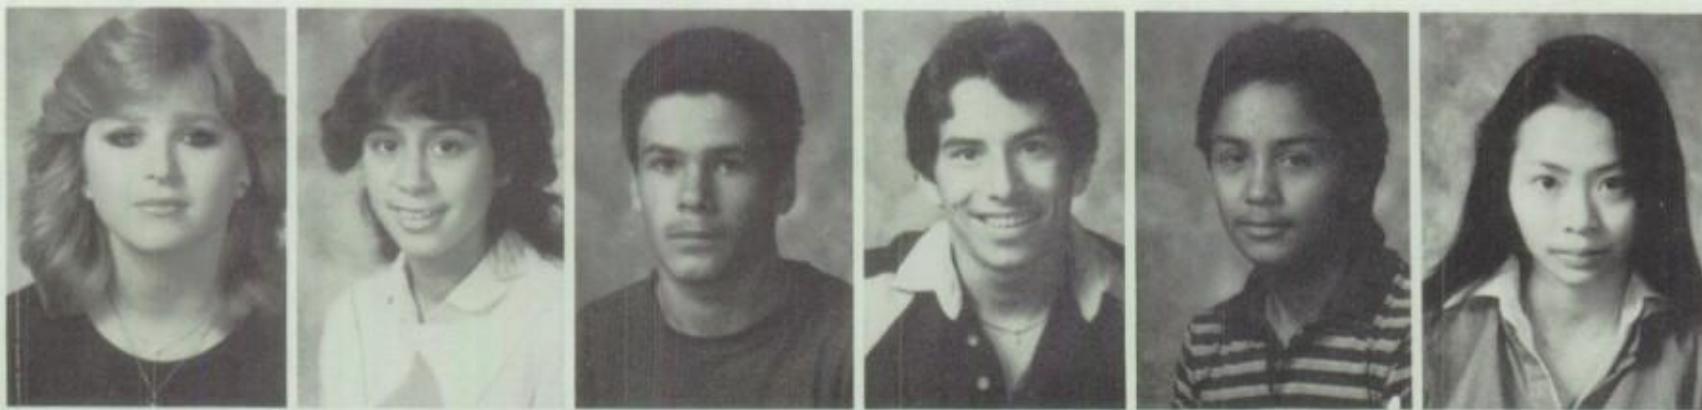

I try harder to get good grades in my classes. I enjoy school more. I failed a class so I decided to try harder. I want to go to UCLA and become a psychologist. When Mr. Roberson told me I was going to play first trumpet, that was really memorable. Also, when Mr. Dschinger said over the PA system that the band was invited to be in the 1985 Tournament of Roses Parade. It was also very memorable when the band was told that we were going to Hawaii.

-Debbie Ceballos

SCHOOL SPIRIT

Football games, pep assemblies and cheerleading. These words probably evoked a couple of memories in your mind of fun, involvement and especially of school spirit. Close relationships, special feelings and experiences that make up the special spirit of CHS. As in life, there is the good side then, the bad but, always the fun while doing it.

Cheerleading motivated me.

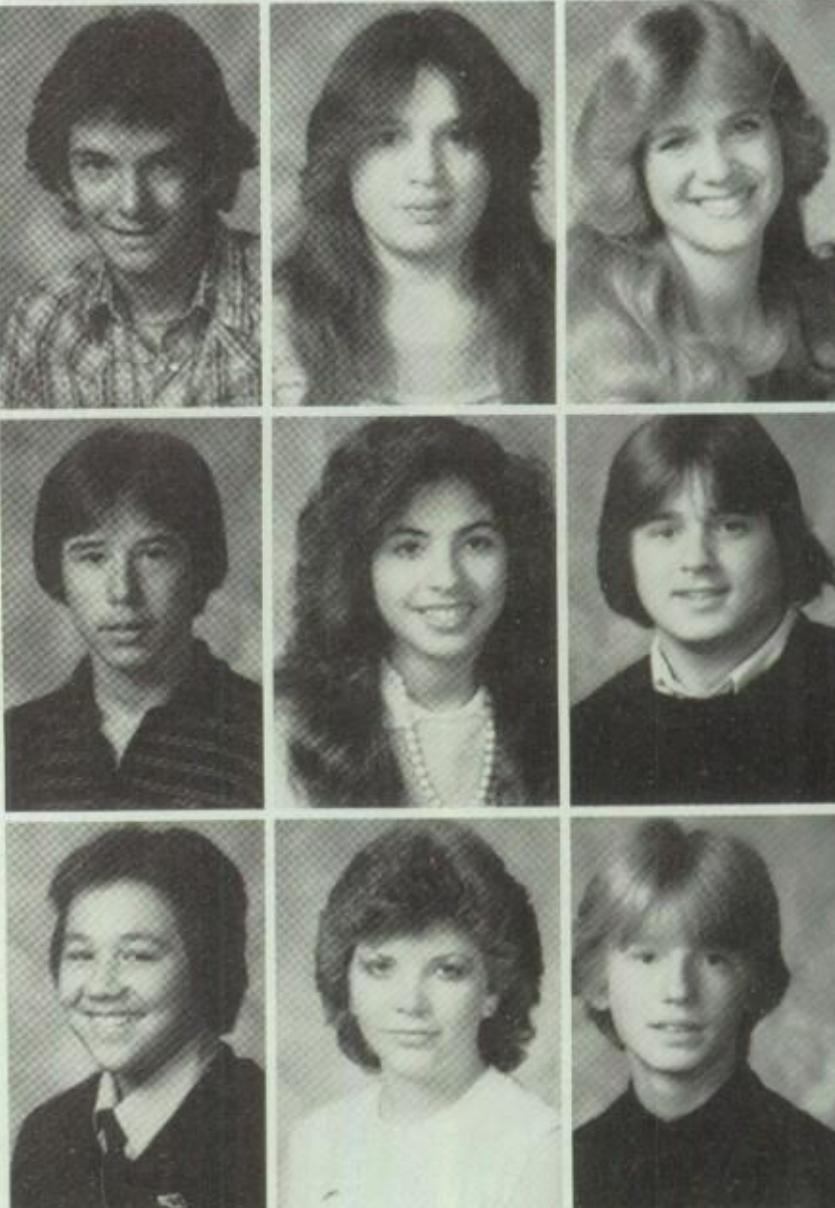

One bad incident was when I wore my cheerleading outfit on the wrong day.

I want to make Varsity and also be Varsity Yell leader.

Keep up the spirit.

Mainly all my friends have school spirit and they're popular. So I figure if I get involved and have school spirit I will be popular too. I remember that they (students) were doing the senior yell and when they got to the sophomores me and a couple of other people were the only ones that cheered. I was so embarrassed. I wish a lot more people will get involved because it's really fun. It keeps me out of trouble. If you like it, really want it, go for it!

...SPIRIT (con't.)

When you're involved things are more interesting.

I really enjoy playing basketball and last year I played on the Junior Varsity team. We really had spirit cheering for the Varsity team. We had fun. I will talk to the students and try to get them involved in clubs and sports because it really builds school spirit.

-Jennifer Findling

When I first came to Colton everybody had school spirit. It looked like a total blast so I went for it. My incident was when I came to school with half of my hair crimson and the other half was gold.

My two goals while I'm in high school are to keep my school spirit alive and kicking and to meet Mr. Micheal Jackson.

When I first joined Drama, that helped me a great deal.
When I dressed up as Mr. Bridges for Halloween Dress-up Day.
My goals for school spirit is to be in every play at CHS.
CHS is the best school in the nation.

I decided to because I like for people to get closer together and lead our teams to victory. Being cheery helps a lot. If other people see you cheer they may join in. While I was at football games with my friends we acted pretty weird and happy. Some people thought we were dumb. A couple of times when Colton was losing I never lost faith and kept cheering. People thought I was stupid but, I kept cheering them on. I would like for people to notice how spirited others are and be spirited also. People are usually following with fashion, or other ways of doing things. Why can't they follow other people in being spirited?
If you're going to follow people why don't you follow them in being spirited?

I wanted to get the most out of my high school years. I got my foot run over by the Freshman float while taking it apart. To get Colton High respected by all the high schools in the Inland Empire and let everyone know that we are important. We are Colton, we've got kicks, we are the class of '86.

My brother was ASB President last year and he helped me get involved in school. We went to Arlington High to play softball. After the game while we were waiting for the tennis team, students from the other school started throwing rocks at us and were breaking the bus windows. I will talk to the students and tell them how much fun sports are and what being involved means.

-Kim Burdell

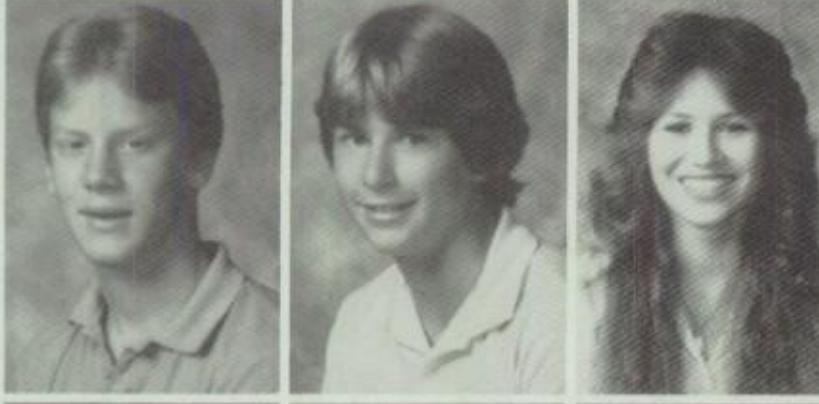

When I came to Colton High I saw upper classmen have school spirit and that motivated me. It is motivating when I sit in the ASB section and cheer the football team on. I think everybody should always go for school spirit. It makes school go by faster with a lot of fun.

SPIRIT

I learn more and have more fun when I am involved in school. I also meet more people. I had fun in the pep section at the football games and the other schools were nice. I will tell the other students about school spirit and how much fun it is to be involved. School spirit helps school go by.
-Christy Hayden

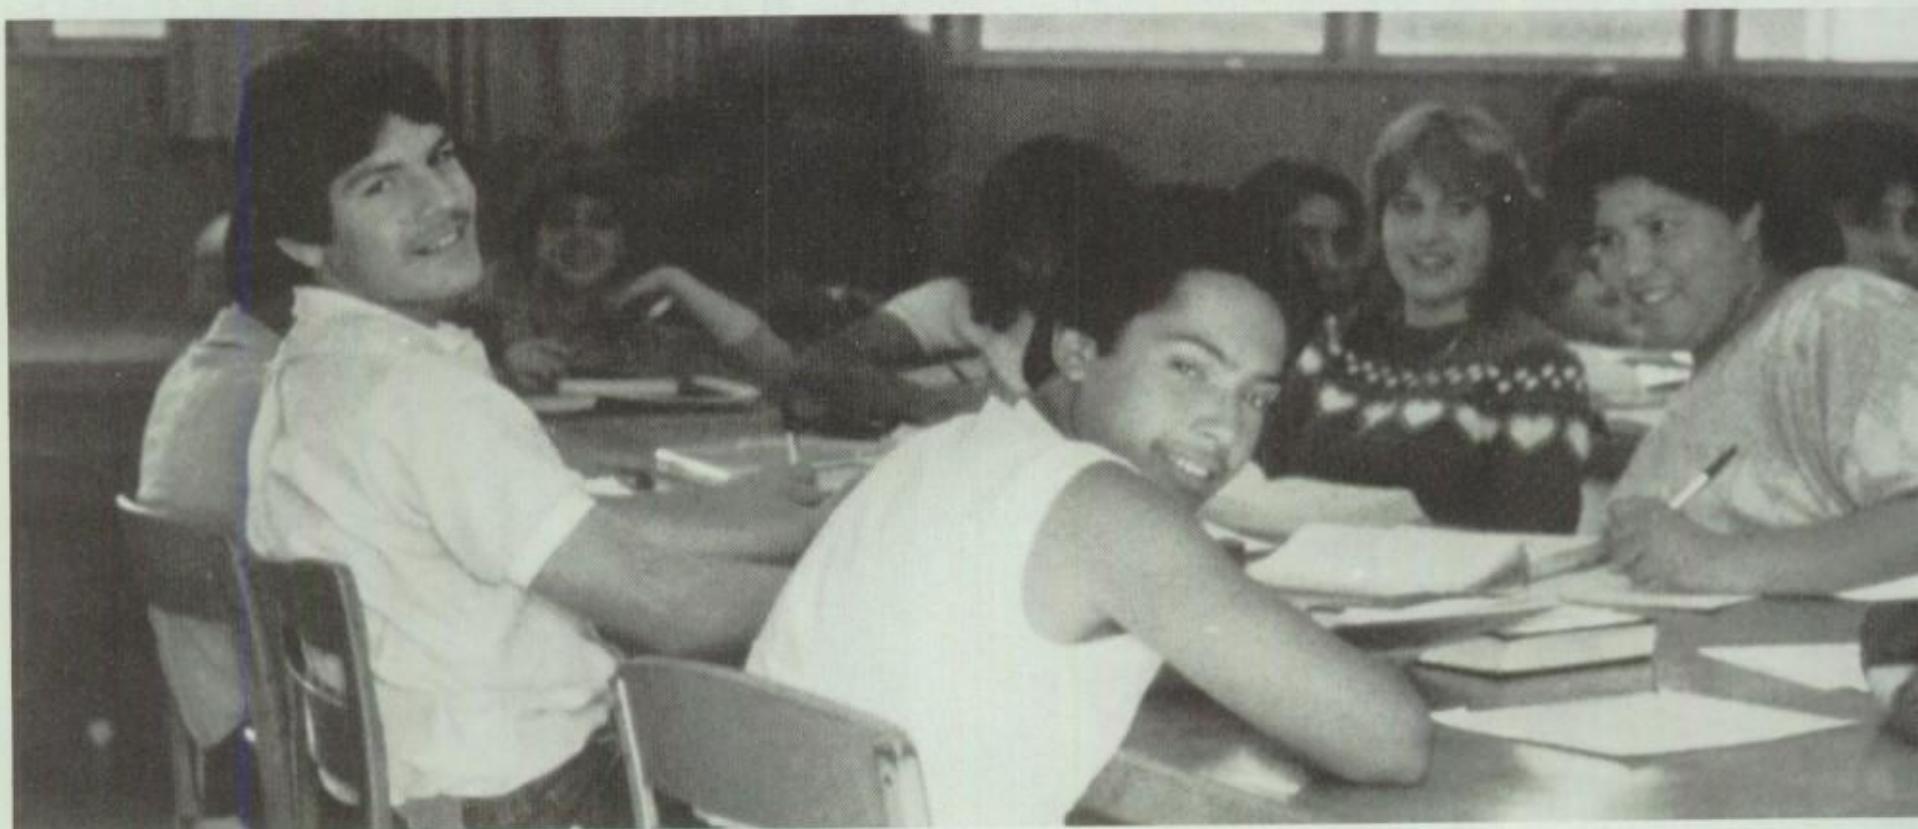

Getting involved helps school go by. I also have fun and a good time doing it. I was cheering for a game and I lost my voice. When I was cheering for a Girls' Basketball game the other team tried to start a fight with us. To try to talk to the other students and tell them how much fun it is to have school spirit. Having school spirit is fun.

MAKING FRIENDS

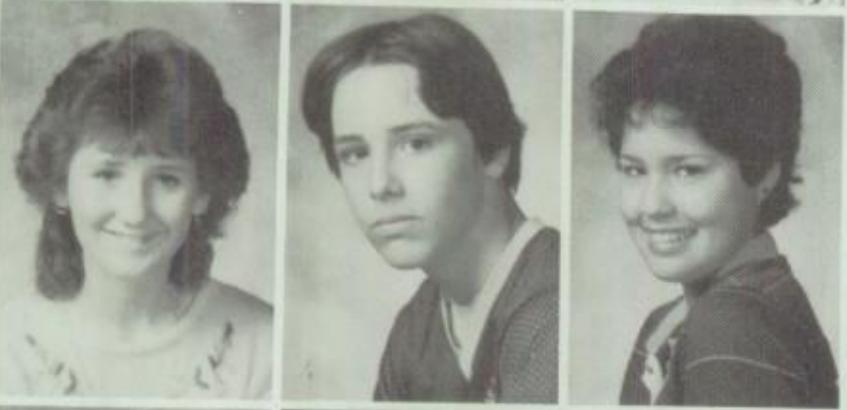

Making friends at Colton High was a new experience for me. I had left all my old friends at my old school. Joining the freshman football team was a good idea for making friends.

-Russell Reese

Making friends is fun stuff! You've got to be crazy yet, serious. Grab someone's attention and prove you can be their friend.

-Trisha Clement

I have found that making friends is interesting and fun at Colton High School.

-Socorro Hernandez

Making friends at Colton High is great. When you need help your friends are always there to give a helping hand.

-Diane Gonzales

Get involved in sports and clubs. Then you have to be friendly and patient.

I like to make new friends because I haven't been to public school for four years. And public school is more fun and has a lot more people to make friends with.

-Russell Ortega

I find it interesting at Colton High School because there are many activities. You meet nice people and make friends. But, I don't like being "oinked".

-Eddie Ortiz

It's not hard to make friends. You just need a nice personality. On the other hand it's kind of boring but, I guess everybody goes through it.

-Roxanne Armenta

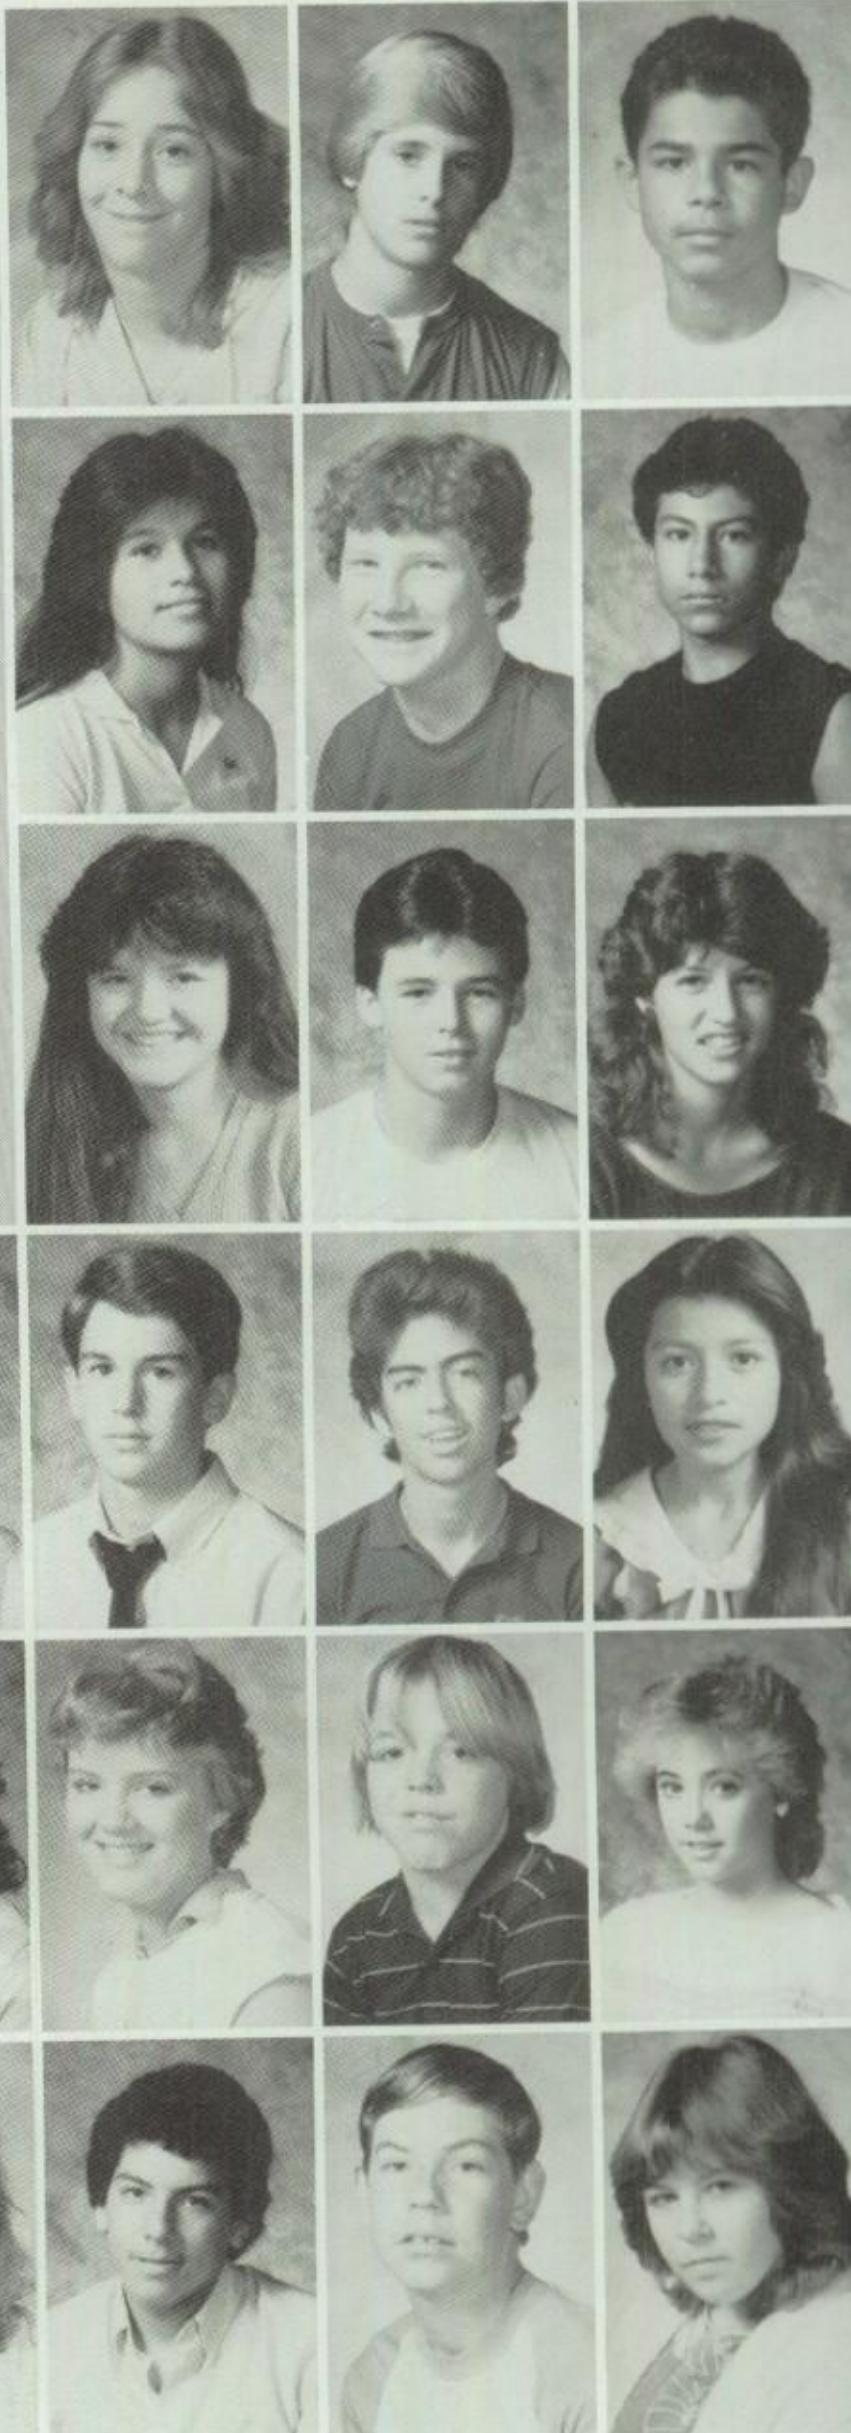

It has been grand. I met new friends and old.

Mr. Eugene Owen Retires

Mr. Owens Retires

After 29 years of service to the teaching profession, Mr. Eugene Owens announced his plans for retirement after this school year.

Mr. Owens, who has been an important person in school activities, always has school spirit. If you have seen him around the campus you'll notice his spirit because he often wears costumes for the holidays, not to mention being an auctioneer for ASB slave day.

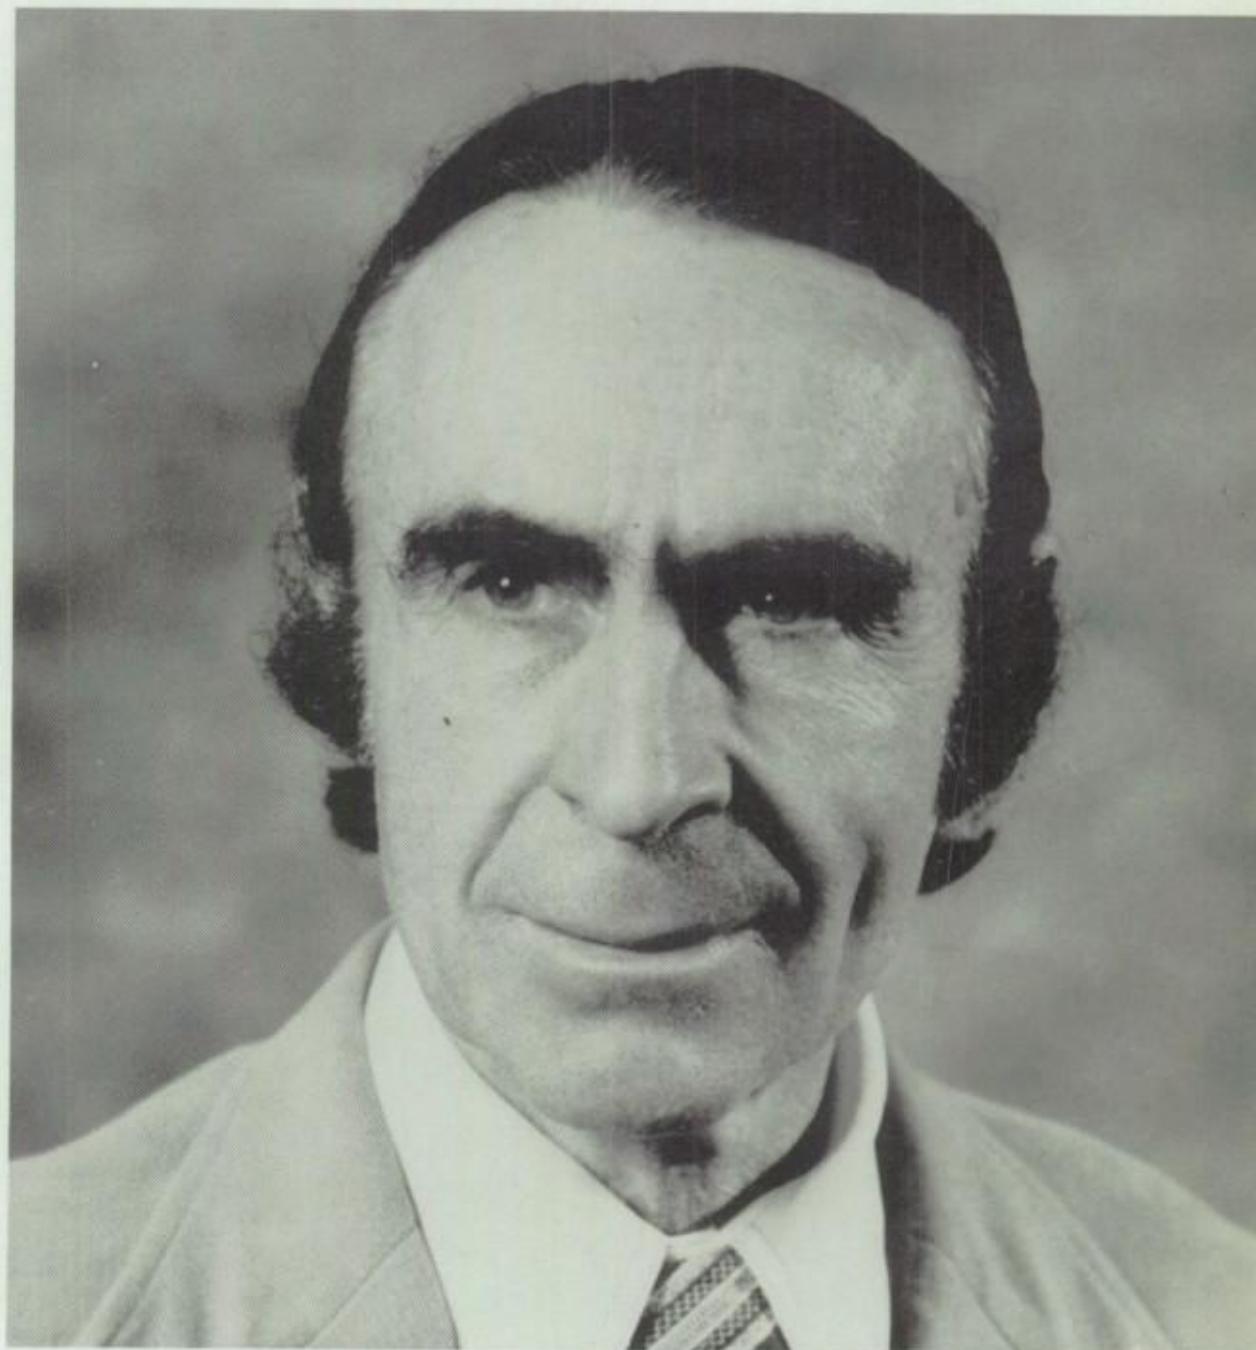

Mr. Owens would like to move into a library and read all of the books that he has never read. He, plans to work on and restore the thirteen antique automobiles which he has on his ranch. Another of his pastimes will be to raise horses on his ranch.

From all of us on the yearbook staff and all the students at Colton High we wish you good luck on your retirement and we hope it is a long and enjoyable one.

Mr. Eugene Owens

Mr. Owens show his school spirit by participating in school events.

Mr. Owens speaks to parents on Parent Night.

To Mike.

a cool dude I met
this year. It was a blast
in Spanish I will stay
cool, see you at
the races

Mike -

You're a crazy "vato" who I
think is cool. It was a blast
having you for math and Spanish.
I hope we stay friends for a
long time (sure). Well don't party
so much over the summer. remember
you still have 3 more years. keep
cool fool!
